

27 Scientific Abstracts

Held annually since 2005, this international scientific conference provides participants and attendees a diverse multi disciplinary setting to present and discuss profound topics of research dealing with water. Featuring prominent speakers: Nobel Laureate Luc Montagnier, Gerald Pollack Phd., Dr. Konstantin Korotkov and Dr.VladimirVoeikov, Dr. Bernd Kröplin, Dr. Elmar C. Fuchs and many others.

Including ground breaking water science and research topics - Holographic, Memory, Consciousness, Cellular Communications, DNA Molecule, Electrical Dynamic, Marine & Sound Therapies and more.

Hosted by Gerald Pollack, Founder and chair of the Conference, Professor of Bioengineering, University of Washington; Chief editor of The Water Journal; Executive Director of the Institute for Venture Science. His interests have ranged broadly, from biological motion and cell biology to the interaction of biological surfaces with aqueous solutions. Author of 8 books and more than 300 papers.

Conference to be held at The Government Congress Center in Sofia Bulgaria, a FIVE-STAR Conference and Hotel venue which generously accommodates the many participants and attendees from around the globe. Bulgaria is a land richly endowed with natural spring waters and splendid natural scenery. We encourage you to come explore with us. Attention - On the conference website we have posted a layout of the conference brochure, please take a look and share with colleagues and friends. www.waterconf.org

We are working diligently on new and innovative ways to disseminate the growing multi-disciplinary science of water. For that purpose, we are currently organizing the public online broadcasting of Water Conference throughout social networks Youtube, Facebook and more. Format will include live streaming webcast of the presentations from the conference followed by brief on camera QnA interviews with speakers at days end. We ask to support us in organizing this exciting initiative to bring the Conference on Water for a wider audience.

We invite you to take part in the conference "Physics, chemistry and biology of water" 06-09 October 2016 in the Bulgarian capital Sofia. Conditions of participation link <http://www.waterconf.org/venue/>.

Offering a 10% discount for participants of the Water Conferences 2013, 2014 and 2015. Register now at waterconf.org

Best Regards
